Take US 1 south. You will pass the Treasure Coast Square Mall entrances and the Target Store at Britt Road. Keep heading south to the next traffic light. This will be the intersection of US 1 and Baker Road. To your right, you will see the Condon Jewelers building. There is a red marquee sign. Our sign, though lit, is underneath reading Treasure Coast Sleep Disorder. It is a pink house-like building with green trim and a white porch. It also has dangling white lights on the outside. Turn right on 13<sup>th</sup> Terrace. The parking lot is at the rear and our door is lettered with our name.

### If you are coming from the South:

Head north on US 1. Go over the Roosevelt bridge. The **third** traffic light after going over the bridge is the intersection of US 1 and Baker Road. To your left, you will see the Condon Jewelers building. There is a red marquee sign. Our sign, though lit, is underneath reading Treasure Coast Sleep Disorder.
